MASTER SOFTWARE SERVICES AGREEMENT

Document ID: PVS-2026-089A
Effective Date: June 09, 2026

> *This Master Software Services Agreement (the "Agreement") is executed and made effective as of June 09, 2026, by and between **Primevision Systems Ltd.**, having its principal place of business at Corporate Zone, Hargeisa, Somaliland (hereinafter referred to as the "Provider"), and **Bayaan Dental Clinic Networks** (hereinafter referred to as the "Client").*

1. SCOPE OF ENGAGEMENT

1.1 Services. The Provider agrees to perform technical architecture, software engineering, and multi-tenant database infrastructure deployment services as defined within sequentially issued Statements of Work (SOW).

1.2 Execution. All operational logic, secure endpoint development, and client management structures will be executed matching international top-tier software architecture principles and the regional compliance benchmarks of Somaliland.

2. FINANCIAL COMPENSATION & TERMS

2.1 Remuneration. The Client shall compensate the Provider an agreed sum outlined within explicit project components. Retainer schedules are due net fifteen (15) days upon formal delivery of technical metrics and invoice transmittal.

2.2 Delinquencies. Late payments shall accrue interest at a rate of 1.5% per month on any outstanding operational balances.

3. INTELLECTUAL PROPERTY RIGHTS

3.1 Work Product ownership. Upon full settlement of outstanding invoices, all explicitly commissioned codebase infrastructure architectures, system logic structures, and frontend layout modules developed purposefully for the Client shall legally transition to the Client as work-made-for-hire.

4. CONFIDENTIALITY & NON-DISCLOSURE

4.1 Obligations. Both signing parties comprehensively pledge to maintain rigorous technical and procedural security surrounding systemic data access, transactional keys, database architectures, and commercial mechanics discovered during the term of active engagement.
